

Introducing your new

Roofers Local No. 96 Annuity Fund Recordkeeper.

Milliman is pleased to be the new recordkeeper for the Roofers Local No. 96 Annuity Fund. We are excited to have the opportunity to work with you and look forward to serving you for many years to come.

Milliman is a national firm with financial stability and focus on retirement services. We are independent, objective and unbiased, committed to serving America's workforce. We provide you personal service with state of the art planning tools available at your fingertips on our innovative website. In addition you will have access to customer service representatives at our toll free hotline. These services will allow you to stay on top of your retirement planning.

What's Next

The conversion process is already underway and is expected to be completed the week of March 15, 2010. Please join us for one of five informational meetings, to be held in your area, concerning these new changes and service enhancements to the Annuity Fund. These meetings will be held in late February and early March. Please see the **Informational Meetings** box for more information. Spouses or significant others are welcome to attend and refreshments will be available.
