Roofers International Sporting Clay Shoot

The 5th Annual Sporting Clay Shoot was another HUGE success. The shoot raised over \$100,000 for the Union Sportsmen Alliance! Congratulations to all who made this event so successful! The shoot was held on Saturday, September 12th with the Kids Clay Shoot on Sunday, September 13th at Wild Marsh Sporting Clay in Clear Lake. There were 189 shooters on Saturday with Kevin Veches taking home the top shooter award for Roofers Local 96. The kids shoot was also very popular. They added a dog demonstration and the kids got the opportunity to lay in a duck blind. This event is free to members and we would like to make next years event even more popular.

Injured Apprentice Fund

As the name states, this fund is set up for apprentices who are injured and/or unable to work. The apprentice MUST be off for 30 calendar days in order to qualify. The injury does not have to occur at work. Some of the scenarios

include; work comp, accidents (auto, etc), surgeries and broken bones. This is only a partial list.

The Apprentice Coordinators Association of MN sponsor this fund. During the year there are fund raising events to finance this fund. If you are/ or know an apprentice who has been injured contact Mark Conroy at mark@rooferslocal96.com or at 763.230.7675. The form to submit can be completed through the apprenticeship.

“You must turn in time sheets every month until you receive your Journeyman status.”
